

## Seat Valves Type 7010, 7031, 7032, 7050

---

**Schubert & Salzer CONTROL SYSTEMS GmbH**  
**Bunsenstrasse 38, 85053 Ingolstadt**

Declares that the products

**Seat Valves Type 7010, 7031, 7032, 7050**

conform to the requirements embodied in the

**Directives (EG) Nr. 1935/2004 of the EUROPEAN PARLIAMENT AND COUNCIL**

(about materials and parts that are in contact with food)

dated October 27th 2004

The Certificate of Conformity refers only to the valves according to the drawing R-0244e with the following materials:

Seating seal: PTFE (Fi1501, Fi5001)

Guiding rings: PTFE, filled with carbon (Fi5220)

Packing: PTFE, filled with carbon (PTFE CB.63-01)

Headsection seal: Graphite (Standard: Sigraflex Universal) or KLINGER®top-chem 2000

The compliance with the directive (EG) 1935/2004 must be explicitly stated in the order code of the valve (coding).

Declarations of Conformity for the individual materials used can be requested from the manufacturer.
